# eNET LEARNING ONLINE

## Summer Online Course Registration Is Open

It's time to **celebrate your teaching profession** by registering for an eNet Online Professional course! eNet's courses incorporate Colorado Teacher Effectiveness standards, support project based learning and provide outstanding resources and apps. eNetLearning can develop a customized professional development solution for your school or district. Contact Carolyn Gardner or Dan Morris for more information: [carolyngardner@enetlearning.org](mailto:carolyngardner@enetlearning.org) or [danmorris@enetlearning.org](mailto:danmorris@enetlearning.org).

eNetLearning and the Colorado BOCES Association are offering teachers **10% off course registration fees** using this code: *BOCES4555*. (No discount for optional graduate credit fees through Adams State University.) Check out our catalog of 2015 course offerings, [view the Course Catalog](#).
