---

[eNetLearning's Digital Resource Collections](#) - Our resource collections contain a plethora of standards aligned instructional and learning resources, assessments, and learning experiences vetted to support the Sample Curriculum Overview and Instructional Sample units created by Colorado educators through CDE's District Sample Curriculum Project. Please click on a link to go to the [elementary](#), [middle school](#), or [high school](#) collection.

---

[STEM Education Act of 2015](#) - The STEM Education Act of 2015, was signed into law October 8th. It expands the definition of STEM to include computer science programs, [Read more](#).

---

[How to Fake a 21st Century Classroom](#) - 21<sup>st</sup> century learning isn't a trend as much as a reality. It's 2015 (almost 2016), so whatever you're doing in your classroom right now is technically 21<sup>st</sup> century learning. Semantics aside, we all can improve... [Read more](#).

---

[ISTE Conference Stipends and Special Project Grants](#) - Innovative Education Grants, funded by InnEdCo (formerly TIE Colorado), is accepting applications for two different grant opportunities for Colorado educators: Need-based stipends to attend the International Society for Technology

in Education (ISTE) Conference, June 26-29, 2016 and Special Project Grants to improve student achievement through the integration of technology into K-12 classrooms, a school, or district. [Read more.](#)

---

[Denver Museum of Art - Distance Learning for Your Classroom](#) - Want your students to interact with museum educators from the comfort of their classroom? Distance learning classes are taught by experienced educators. They challenge students to think critically, solve problems, and generate new ideas. [Read more.](#)

---

[DMNS Virtual Science Academy and Scientist in Action Virtual Field Trips](#) - Can't get to the museum, they'll come to you - virtually, that is. Experience, explore, and engage with the Denver Museum of Nature and Science without leaving your classroom through interactive distance learning. [Read more.](#)

---

[Explore Colorado History and Earn Digital Badges](#) - Elementary, middle and high school students can explore Colorado history through History Colorado's online exhibits. Students can earn digital badges while completing a series of online activities. Interactive components link the past to contemporary issues. [Read more.](#)

---

[Online Learning Opportunities](#) - Earn Continuing Education or graduate credit by enrolling in one of eNet's upcoming Professional Development courses. eNeLearning's online courses incorporate Colorado teacher effectiveness standards, support project-based learning (PBL), and provide outstanding resources and apps to stimulate your teaching. Scholarships are available for successful completion of the [Project Management Toolkit for Teachers](#) course. November offerings and registration are available on our [Online Course Catalog](#).

---
