[Upcoming Events and Opportunities](#)

[Colorado Digital Learning Solutions](#) (CDLS), a 501(c)3 non-profit, was awarded a three-year statewide contract. CDLS replaces Colorado Online Learning as the state supported provider of supplemental coursework for Colorado middle and high school students. [Read more.](#)

[Explore Colorado History and Earn Digital Badges](#) - Elementary, middle and high school students can explore Colorado history through History Colorado's online exhibits. Students can

earn digital badges while completing a series of online activities. Interactive components link the past to contemporary issues. [Read more.](#)

[Pop Culture Classroom](#) - Pop Culture Classroom ignites a love of learning, increases literacy, celebrates diversity and builds community through the tools of popular culture and the power

of self-expression. PCC makes this happen through its various programs which include The Classroom, Denver Comic Con, and Community Outreach. [Read more.](#)

[Rural Colorado Share Fair Nation](#) - On Sept 25, join rural PreK-12 educators for a conversation around inspired teaching and learning in Colorado Springs. Share Fair Nation, a Morgridge Family Foundation sponsored event, provides a venue to collaborate and share best practices, to discover emergent strategies and technologies, and to see firsthand valuable and innovative approaches to delivering 21st Century learning. [Read more.](#)

[Online Learning Opportunities](#) - Earn Continuing Education or graduate credit by enrolling in one of eNet's upcoming Professional Development courses. eNeLearning's online courses incorporate Colorado teacher effectiveness standards, support project-based learning (PBL), and provide outstanding resources and apps to stimulate your teaching. October offerings and registration are available on our [Online Course Catalog](#).
