[CDLS Online Supplemental MS/HS Course Registration Open](#) - Colorado Digital Learning Solutions

(CDLS) is the state-supported, supplemental online program. Students can use courses for credit retrieval, advanced course work, curriculum enhancement and/or to resolve scheduling conflicts. [Click here to read more and for spring registration link.](#)

[Facing History and Ourselves](#) - Created in 1976, Facing History has grown from a single innovative course to a global organization. Through rigorous investigation of the events that led to the Holocaust and other recent examples of genocide and mass violence, students in a FacingHistory class learn to choose knowledge over misinformation, compassion over prejudice or bullying, and participation over indifference or resignation. [Read more.](#) [Events calendar](#)

[eLearn Collaborative Blended and Online Learning Conference](#) - The third annual CBOL

Conference will convene in Denver, Feb 18-19 at the History Colorado Center. Co-sponsored by iNACOL (International Association of Online Learning and Colorado BOCES, this year's theme is LEARNER-CENTERED. The opening keynote will be Michael Horn. [Read more.](#)

[Edutopia Shares Top Ten Resources for 2015](#) - Combined, these ten blockbusters reached millions of education change-makers (like you!). [Read about the top ten.](#)

[Online Learning Opportunities Related to CO Teacher Effectiveness Standards](#) - Earn continuing education or graduate credit by enrolling in one of our upcoming Professional Development courses. eNeLearning's online courses incorporate Colorado teacher effectiveness standards, support **eNET LEARNING** project-based learning (PBL), and provide outstanding resources and apps to stimulate your teaching. Enroll in any 2016 eNetLearning course and you will receive free enrollment in our facilitated, self-paced *2016 Is Our Year To Get Organized* course. [Course catalog.](#)

[The \(STEM\) Connectory](#) - By offering the most comprehensive collection of STEM opportunities and programs, The Connectory is the go to place for families to discover local STEM opportunities for the children in their lives and for program providers to find partners with which to collaborate. [Find out more.](#)

[2016 Global Education Student Technology Conference](#) - The second annual StudentTechnology Conference, a free one-day online event bringing together students, educators and innovators from around the world, will be held Saturday, January 30, 2016 from 9 Am to 9 Pm EST. To view sessions, schedule and registration [click here.](#)
