Early Spring

---

20 Easy Ways to Globally Collaborate with Your Class - Here are twenty easy ways to use video call services like Skype or Google Hangouts for global collaboration with other classrooms. Matt Miller, a high school Spanish teacher in West Central Indiana, shares strategies on his blog Ditch That Texbook
. Read the post

.

How to Spot Fake News Infographic
 - Oxford Dictionaries announced post-truth is Word of the Year 2016
. The International Federation of Library Association's (IFLA) shares eight simple steps to discover the verifiability of a given news-piece in this infographic." Download the infographic

.

Digital Games in the Civics Classroom - The change in administration has been fodder for Civics education having its moment in the spotlight. Civics games are offering fresh solutions to the highly partisan information (and misinformation) students are exposed to on digital news and social media. EdWeek writer, Benjamin Harold, shares the tools and classroom experiences here

.

Colorado Digital Learning Solutions is the state-supported supplemental online program that provides Colorado districts access to high quality online courses for students that supplement existing course offerings in a 21st century learning environment. A fast-paced 8 week semester is offered during the summer session
. The course catalog for fall sessions
 is available too.

Spring Clean Your Classroom Materials? - This spring, replace the lessons in your basals
 and reading anthologies
, get rid of what you don't need, and improve your classroom materials
 with these tips from educator authors and Achieve the Core
. Go Math
 and Journey's
 users, try their unit-by-unit adaptations. Read how you can declutter your classroom math program by focusing on major work of the grade
.

Colorado Mathematics Teacher Journal - Did you know the Colorado Council of Teachers of Mathematics publishes a free journal? Download the latest edition
 or scroll down the journal's webpage to access past issues
.

Innovative Education Colorado Conference - InnEdCO organizes the premier statewide conference for teachers who want to integrate technological tools with 21st Century skills, including technology and information literacy standards, into all content areas. This year's conference, June 12th-15th at Keystone Resort, includes Google in Education
 and Leadership
Academies. Read more
.
