

HAPPY NEW YEAR TO ALL!

Start the new year off right by taking an eNet course where you will collaborate and share ideas with other educators. Be sure to check out our highlighted courses.

IN OUR SPOTLIGHT: *Telling Your Story with Esri Story Maps, Designing Blended Learning - Anytime and Anyplace, and Introduction into Projection Management.*

New Course

Telling Your Story with Esri Story Maps begins January 4th.

This course will enable participants to **understand why** stories can be effectively told with today's interactive, web-based story maps, **learn how** to teach and assess student work with story maps. Dr. Kerski will be highlighting the 2013 Colorado Flood Recovery Story Map. [REGISTER EARLY!](#)

Are you seeking blended learning experiences related to standards and infused with online technology resources, then this is the course for you.

Enroll in eNet's **Designing Blended Learning - Anytime and Anyplace** course. [REGISTER NOW!](#)

Receive a scholarship of \$75 for enrolling and completing this course.

Introduction into Project Management
