

**\*\*\*Telling Your Story using Esri Maps\*\*\*** - This course led by Joseph Kerski, will enable you to understand and incorporate interactive web-based story maps to include sound, video, photographs and other multi-media in your teaching. You will learn through hand-on activities using the ArcGIS maps to enhance your curriculum for your students.

With Project Management in great demand worldwide, join our ***Project Management Foundations*** course and learn how together. Upon enrollment and successful completion of this course, you will receive a \$75 scholarship. This inquiry based course, asks you as a learner, to combine provided information with your own life experiences to construct, understand, and guide you toward using industry-recognized processes for managing projects.

Joseph Kerski will again grace us with another wonderful course incorporating mapping techniques. Register early for ***Telling Your Story*** to secure a spot. Be watching for other eNetLearning courses pertaining to Cyber Security, Google Apps, and Exploring Our World. We're excited!
