

***HAPPY NEW YEAR to ALL!***

With Project Management in great demand worldwide, join our ***Project Management Foundations course and learn how together.*** Upon enrollment and successful completion of this course, you will receive a \$75 scholarship. This inquiry based course, asks you as a learner, to combine provided information with your own life experiences to construct, understand, and guide you toward using industry-recognized processes for managing projects.

***Show Me the Money: Writing Winning Grants*** - This highly requested new course will prepare and help you write clear and concise grant proposals. You will also receive a list of grant opportunities to help you in gaining funds for your classroom or school.

**Share this news/newsletter with your teaching friends and join as a team. Enroll early and become a part of these professional online cohorts.**

Are you needing new ideas, resources or even recertification credit? eNetLearning is here to help you with that. Now is the time to get those new ideas and/or hours that you need. We have some great courses for you, both 15, 30 or 45 continuing education units or even 1, 2 or 3 graduate credit hours if you prefer. Sign up to take one of our courses right away.

**➡ Be watching for new courses pertaining to Cyber Security, Google Apps, and Exploring Our World. Joseph Kerski will again grace us with another wonderful course incorporating mapping techniques. We're excited!**
