
Are you looking for a short course for the month of March. eNet has several from which to choose.

 ***Educational Leadership in the 21st Century******

A Pot of Gold Opportunity! This interactive course enhances and builds your knowledge of strong practices, strategies, and helps you develop an enriching data-base of great resources that is so valuable in today's ever-changing world. You will develop an action notebook including ideas for incorporating mobile technology tools effectively, enhancing digital citizenship concepts and solving the problems that arise in our educational environment. Don't miss out and enroll today!

With Project Management in great demand worldwide, join our *****Toolkit for Teachers***** course and learn how together. Upon enrollment and successful completion of this course, you will receive a \$75 scholarship. This inquiry based course, asks you as a learner, to combine provided information with your own life experiences to construct, understand, and guide you toward using industry-recognized processes for managing projects.
