

## Time to register for our JULY Online Courses

SUMMER IS HERE. We continue to offer great courses and some special offers for all educators. We also are offering two brand new courses, "It's TIME to Get Organized" and "So You Want to Be a Drone Pilot". See below.

It is eNet's mission to provide our teachers and students a positive, safe, and engaging environment for teaching and learning. Share this information with your fellow peers.

If you need help or have questions, please contact our course registrar, Jane Brown at [jane@springshosting.com](mailto:jane@springshosting.com)

### **"It's TIME to Get Organized"**

This new course challenges you to try a variety of strategies to get organized. You will explore the outside resources – websites, digital storage resources, books, and magazines.

### **"So you Want to Be a Drone Pilot"**

This new course will provide you with the tools and ideas for developing a new course for your students in the area of drones and how that technology can be useful to our students.

### **"Transitioning to Remote/Online Learning"**

This course continues to be provided free of charge to all educators and administrators.

Don't wait. Sign up now. We're here for you.

**JULY** Courses will help support all administrators and educators as you begin the new year with many challenges and new ways of guiding our students.

### **Online, Blended, and Curriculum Support for Schools, Teachers and Parents during the coming School Year**

We know that the COVID-19 pandemic continues to cause ever-lasting changes to the way we teach. With that change, CDLS (Colorado Digital Solutions) and eNetLearning will continue to support all students enrolled in CDLS and eNetLearning online classes.

**Both eNetLearning and CDLS will also be available to work with our partner districts and their staff to help them work with their students face to face or remotely and to develop an online platform if needed.**
