"Early Childhood I"

This course is designed to provide an overview of the expectations and roles of the early childhood educator. The course provides details about childhood development, health, nutrition, and guidance strategies to help you understand the exciting and unique opportunities that a career in early childhood education can offer.

"Early Childhood II"

The Early Childhood course II is designed to provide an overview of the professional expectations of being an early childhood educator. Designing physical, social, and temporal environments will be a major focus of the course, as will developing positive relationships with families and communities.

"Transitioning to Remote/Online Learning"

This course continues to be provided *free of charge to all educators and administrators.*

Don't wait. Sign up now.

Colorado Digital Learning Solutions, supporting the state supplemental online program. Because of the always-changing piece of teaching, contact us to ask about our online courses and how they can benefit your school.

CDLS has increased its K-12 course options, all taught by licensed Colorado teachers, providing students and districts access to over 170 courses, including AP, Concurrent enrollment, and expanded CTE and STEM options. Second Semester courses are now available.

See: www.coloradodls.org for more details and a complete course catalog at: <https://www.coloradodls.org/courselist>

Contact Dan Morris at danmorris@coloradodls.org if you have questions or need additional information.

Both eNetLearning and CDLS will also be available to work with our partner districts and their staff to help them work with their students face to face or remotely and to develop an online platform if needed.
