Colorado Digital Learning Solutions, supporting the state supplemental online program. Because of the always-changing piece of teaching, contact us to ask about our online courses and how they can benefit your school.

CDLS has increased its K-12 course options, all taught by licensed Colorado teachers, providing students and districts access to over 170 courses, including AP, Concurrent enrollment, and expanded CTE and STEM options. Second Semester courses are now available.

See: www.coloradodls.org for more details and a complete course catalog at: <https://www.coloradodls.org/courselist>

Contact Dan Morris at danmorris@coloradodls.org if you have questions or need additional information.

Both eNetLearning and CDLS will also be available to work with our partner districts and their staff to help them work with their students face to face or remotely and to develop an online platform if needed.
